

AFFAIRS of the HEART

By Mrs. Thompson

Young people must have company. If they can't or don't meet the right sort of boys and girls...

Dear Mrs. Thompson: I need advice very badly. I am 17 years old. I do not go out with any young men...

Your problem is the same as that of thousands of other boys and girls. It is a problem recognized by social agencies in the larger cities...

BETTY: If the boy's mother invites you by letter to visit her, it will be all right for you to go, provided, of course, that your mother approves of the boy...

LYDIA SIXTEEN: Your mother is right. Such offers usually are fraudulent.

BOSTON: I cannot undertake to find a congenial wife for you.

Married life isn't all roses, for any one. Wives who find the matrimonial yoke irritating now and then should remember that it probably is chafing Friend Husband, too...

Some wives never seem to realize that men can't alter their business or their job to please those at home. I do not think this wife is justified in seeking a divorce.

Dear Mrs. Thompson: We are a young couple, 21 and 22. We have two of the dearest babies that ever lived. My husband's job takes him away before daylight. Sometimes he has to be away all night...

Your "Home-Town" newspaper is the sales department of your town. It is constantly carrying the message of Your Town and Your Business to the outside world. A good progressive newspaper is the best advertisement a town can have.

This newspaper is spending its space, its energy, and its money toward the development of this community. But the amount of good work it can do is limited to the AMOUNT OF SUPPORT YOU GIVE IT.

Not every business house can use the advertising columns extensively, BUT EVERY BUSINESS IN TOWN NEEDS SOME PRINTING.
